Transport lists (incoming) Note: The following transport lists (to Flossenburg) are duplicates and triplicates of the file copies kept in the camp from which the transport originated. The duplicate copy has been transferred to the Flossenburg files for reference purposes only, processing action (e.g. copying for distribution, carding for Master Index) will be carried out on the copy remaining in original files (i.e. Buchenwald and Dachau) and not under the Flossenburg file number.
