1. General

1.1. This form is to be used for the transmission of information from the field to the office and vice versa. It is to be filled out by the person who has the information to be transmitted. The information should be clear, concise and to the point. It should be checked for accuracy before being transmitted. The form should be filled out in duplicate. One copy should be retained by the sender and the other copy should be sent to the recipient. The form should be filled out in the original language of the information being transmitted. If the information is being translated, the form should be filled out in both languages. The form should be filled out in the original language of the information being transmitted. If the information is being translated, the form should be filled out in both languages. The form should be filled out in the original language of the information being transmitted. If the information is being translated, the form should be filled out in both languages.

2. Details

2.1. The following information should be provided in the form:
a. Name of the person providing the information
b. Position of the person providing the information
c. Date of the information
d. Location of the information
e. Nature of the information
f. Source of the information
g. Method of collection of the information
h. Date of collection of the information
i. Name of the person who collected the information
j. Position of the person who collected the information
k. Date of the information
