Sept. 1st, 1939 — May 8th, 1945

VOLUME II

L'attention du lecteur est attirée sur le document figurant à l'Annexe V (voir pages 236—240). Il s'agit de la reproduction d'un ordre signé en 1942 par POHL, Chef du SS.-Wirtschafts-Verwaltungshauptamt; il a été découvert alors que le présent volume était déjà à l'impression.

Etant donné son importance — il se réfère, en effet, à la décision de considérer les prisonniers des camps de concentration comme main-d'oeuvre indispensable au renforcement de l'industrie de l'armement — il a paru essentiel de l'insérer dans le présent ouvrage.

The attention of the reader is drawn to the document printed as Appendix V (see pages 236—240). This is a copy of an order issued in 1942 by POHL, Chief of the SS.-Wirtschafts-Verwaltungshauptamt, which was not found until this volume was being printed.

In view of its importance, as it refers to a decision to consider prisoners incarcerated in concentration camps as indispensable manpower for the reinforcement of the armament industry, it was considered essential to publish it in the present volume.
