ABBREVIATIONS

Used in column	:	" 3 - order"
H.W.	:	handwritten
M.	:	mimeographed
Ph.C.	:	photocopy
T.C.	:	typed copy
T.C.C.	:	typed carbon copy of original documents

Remarks

It should be noted that "handwritten" documents are original camp records unless otherwise stated. "Mimeographed" indicates copies made by ITS or other agencies. "Photocopies" are of original records unless otherwise stated. "T.C.C." means that the copy is a carbon copy made in the camp, whereas a "typed copy" is a copy or compilation made by ITS or another agency.

In remarks, "carded" indicates that information cards compiled from the record have been inserted in the ITS Master Index. It is hoped that eventually all records, with the exception of original camp card indices, will be carded into the Master Index. Records which can be put into alphabetical order for checking purposes will be carded only after all other material has been processed.
